DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

REPORT OF ALUMNI REUNION OF 2002-2006 BATCH OF EEE

The Alumni Reunion of the 2002–2006 batch of the Department of Electrical and Electronics Engineering was held on 25 April 2026 at the institution campus. The reunion brought together alumni members to reconnect with their classmates, faculty members, and their alma mater after several years.

Faculty members who handled subjects for the batch, Dr. G. Madhusudhanan and Dr. K. Elango, interacted with the alumni during the reunion. The alumni shared their professional experiences and memorable experiences from their college days with the faculty members and friends.

During the reunion, the alumni visited the department laboratories, classrooms, and various locations on the campus. They fondly recollected their student life, academic activities, and memorable moments spent in the institution. The visit created a nostalgic and joyful atmosphere among the participants.

The alumni appreciated the growth and development of the department and expressed their happiness in revisiting the institution and meeting their teachers after many years. The gathering concluded with informal interactions and group photographs.

Mr. Ragul Kumar K., Alumni Coordinator of the department, was also present during the reunion.
