Alumni Testimonial

Varshini Devaraaj

Course & Department: BE / EEE

Year of Passing: 2020

Current Designation: Senior DevOps Engineer, Wabtec

I had a wonderful experience at the college with a strong academic environment and supportive faculty. The value-added courses helped me gain skills in Embedded Systems, Engineering Graphics, and Python. The institution provided excellent placement coaching, and I was selected in the first company I applied to. Overall, my experience at the institution has been excellent and impactful for my career growth.
