## CIRCULAR

Adhering to proper dress code in a college speaks about the students' behavior, actions and performance. The perfect dress code emanates the professional appearance of the students and also reflects their sense of pride.

Hence, it is expected of our Valliammai Engineering College **students to follow proper dress code to boost the image of the institution.** Ours is an established institution and our students should have high academic and non-academic profiles. Perfect dress code is one among the higher level ideals. We expect our students to be smart and professional. Moreover, our college is a place of frequent VIP visits.

So, all our **students will be in proper dress code from 8.30 am to 4.15 pm.** It is hoped that our students know the value of their courses and also their values. It is also felt that, our students will have it as a practice of what they are going to follow in their careers in future.

### **Dress Code to be followed from this Academic year 2014 -2015**
