CAREER GUIDANCE POLICY

The main goal of Career guidance is to guide the students to prospective careers. The objective is to collect the career options from the students, create awareness and importance of higher studies in India & abroad.

The Career Guidance has been catering to the needs of students with the following objectives:

- To regularly provide guidance to the students on their professional goals and ease their entry into the corporate and governmental sectors of the workforce.
- To evaluate the student's ability, attitude, strengths, and shortcomings and provide guidance on their future course of study.
- To assist students with available career avenues and to implement corrective steps through coaching, counseling, training and mentorship.
- To ensure holistic development of every student in the campus.

Activities of The Career Guidance Cell

- The Career guidance cell organizes the programme to create awareness about the importance of higher studies in India and Abroad.
- To provide awareness of different competitive examinations among the students, such as civil services, engineering services, GATE, CAT, CMAT, GRE, and GMAT and to counsel them for higher studies.
- To Conduct the Guest lectures, seminars, workshops, training etc. by resource persons of the respective domain expertise in the field of higher education abroad, Civil Services, TNPSC, government, industries etc.
