ABOUT THE COLLEGE

Valliammai Engineering College was incepted in September 9, 1999. It is situated in an expansion of 13.35 acres and is by the side of NH 45, between Tambaram and Chengalpet. The serene atmosphere with the surrounding greenery is conducive to the pursuit of higher studies. The college functions in a multi-storied building complexes of 60,151 square meters to accommodate the demands of the ever increasing number of students.

It is approved by AICTE, New Delhi, Accredited by NBA, 'A' Grade Accreditation by NAAC, ISO Certified and Affiliated to Anna University Chennai.

Our institute is recognized as SIRO by DST and has been granted 2(f) & 12(b) status by UGC. Also centrally funded by FIST of DST and Incubation Centre by MSME, Govt. of India.

The courses offered and approved intake in each course are given below.

1. Under Graduate Courses : B.E/B.Tech

• Computer Science and Engineering*	120
• Electronics and Communication Engineering*	180
• Electrical and Electronics Engineering*	120
• Electronics and Instrumentation Engineering*	120
• Mechanical Engineering*	180
• Civil Engineering	180
• Information Technology	120

2. Post Graduate Courses

• M.C.A	60
• M.B.A	120
• M.E. (Control & Instrumentation Engg.)	18
• M.E. (Power System Engg.)	18
• M.E. (Computer Science and Engg.)	18
• M.E. (Communication Systems)	18
• M.E. (CAD/CAM)	18
• M.E. (Structural Engg.)	18

3. Anna University Approved Research Centres for Ph.D

• Computer Science & Engg.	• Electronics and Communication Engg.
• Electrical and Electronics Engg.	• Electronics and Instrumentation Engg.

Spoken Tutorial Project Open Source Software Tutorials (IIT Bombay Spoken Tutorial Project FOSS)

We feel proud to announce that collaborate with “Super Resource Center” for the Spoken Tutorial Project promoted by IIT Bombay in association with Ministry of Human Resource Development (MHRD) as part of its mission for Education Information & Communications Technology (ICT). FOSS is a new technology for the students to learn and it is of great help to them. It has something that will make students to meet the demands of current software technologies by providing free and open source training in different languages as Linux-Ubuntu, C, C++, Java, Netbeans & Python, Scilab, PHP, Mysql, Calc, Python, LaTeX, OScad etc. which will help the students in shaping their bright future.

Student Affairs Cell

The Student affairs cell is to enhance student knowledge in technical skills and also to create awareness and motivate them in health education, higher education and green environment. The Student Affairs Cell also fosters communication and coordination between institution and students. The role that the cell performs is cross-functional, across every event of student life as well as the administration and endeavors to enhance student life and further enrich Brand Valliammai Engineering College throughout the campus life.

CAMPUS FACILITIES

Physical Education

The Physical Education Department was incepted in the year 1999. Our college team is affiliated to Zone IV of Anna University Sports Zone. Our boys and girls actively participate in all major tournaments including Cricket, Football, Basket ball and Volley ball. The College has a very good Basket ball court, Volley ball court and a Tennis court. It has facilities for indoor games such as Badminton, Table Tennis and Chess.

Students of this college have achieved remarkable feats as Winners and Runners-up ranging from the Inter-collegiate to University level, State & National Level sports and have retained the championship & medals. Every year, we celebrate “College Day” function for honoring the best sports students.

RULES & REGULATIONS FOR VEC STUDENTS

1. To enforce discipline among students, dress code of the college is strictly adhered to. They should attend the college in formal dress. The boys are not supposed to wear jeans and T-shirts when they attend college and girls should wear churidars with pinned dupattas.
2. Boys should come to College neatly shaven.
3. Students should wear black or brown shoes only.
4. Students should wear valid college ID cards with tags and they should not be kept in the pockets/bags. Otherwise, they will not be permitted to enter the campus and attend the classes.
5. All undergraduate (UG) students should wear laboratory coats for all laboratory classes.
6. Students should not bring mobile phones to college. For emergency, a common phone facility is available on payment basis. However, if a student is found using mobile phone, he/she will be suspended for 10 working days.
7. In the beginning of every semester, every student on roll should register for that semester as per the Registration Form with an Undertaking, failing which the student will not be permitted to attend classes.
8. Students should be regular and punctual in attending classes and all activities connected to the college. Late comers will not be allowed to attend classes under any circumstances.
9. If a student does not attend college without prior permission for more than three days consecutively, it will be intimated to the parents. Parents should meet the HOD concerned along with the student and should give a written undertaking, as per Format A, confirming regular attendance thereof, and then only the student will be permitted to attend further classes.
10. Periodical Tests will be conducted for all the departments on common dates as per the schedule, communicated in the beginning of every semester.
11. If a student fails to attend Periodical Tests the student will be awarded zero mark. Retests will be conducted only for genuine reasons.
12. Procedures for awarding marks for internal assessment(IA): The maximum marks assigned to different courses shall be as given below: Each of the theory and practical courses (including project work) shall carry a maximum of 100 marks of which 20 marks will be through internal assessment and the End Semester Examination (ESE) will carry 80 marks. The marks for the continuous assessment shall be awarded as per the procedure given below:

Theory Courses: Three tests each carrying 100 marks shall be conducted during the semester by the Department / College concerned. The total marks obtained in all tests put together out of 300, shall be proportionately reduced for 20 marks and rounded to the nearest integer (This also implies equal weightage to all the three tests).

Practical Courses: The maximum marks for the Internal Assessment shall be 20 in case of practical courses. Every practical exercise / experiment shall be evaluated based on the conduct of experiment / exercise and records maintained. There shall be at least one test. The criterion for arriving at the Internal Assessment marks of 20 is as follows: 75 marks shall be awarded for the successful completion of all the prescribed experiments done in the Laboratory

and 25 marks for the test. The total marks shall be reduced to 20 and rounded to the nearest integer. For further details, please refer to the Regulations 2013/2017.

13. At the end of every Periodical Test, the Progress Report as per Format B, will be sent by post / handed over to students for getting the signatures of their parents and the same should be returned to the Coordinator within a week.
14. During the working hours, students should be in their respective classrooms / laboratories or library. They should.
15. Attendance percentage is calculated as follows

$$\% \text{ Attendance} = \frac{\text{Total number of periods attended}}{\text{Total number of periods conducted}} \times 100$$

Students having less than 75% of attendance will be counselled by the Class Co-ordinator every fortnight. In turn, the student should submit an undertaking to the Co-ordinator as per Format C, confirming the regular attendance, thereof.

16. Indiscipline of students, in any form, will be viewed very seriously and such students will be issued TC, irrespective of their academic performance.
17. As per the rules of the Anna University, a student who fails to maintain a minimum of 75% of attendance, in a particular semester, will be detained. Such student is not eligible to appear for the University examinations in that semester and he/she cannot continue his/her studies in the subsequent semester. He has to redo the courses of that semester along with his juniors in the subsequent academic year. However, he/she will be permitted to appear for the arrear examinations.
18. The Students, who have three or more arrears, will be considered as poor performers and special classes will be conducted for such students from 4.30 pm to 5.30 pm on all working days. All the poor performers should attend such special classes without fail. Such of those poor performers, who secure more than 75% of marks in all the subjects in the Periodical Tests conducted subsequently, will be exempted from attending special classes. However, if such students do not perform well in the next Periodical Tests, they have to continue attending special classes. All the poor performers should abide by this rule of VEC and TC will be issued to the defaulters.
19. In practical classes, students should complete all the previous record works in all aspects. In the absence of that, they will not be permitted to do the next experiment.
20. Students are strictly instructed to attend any program such as NSS, YRC, NCC, NSO (Sports), Placement, Conference and Seminar with prior approval from the HOD concerned and the Principal.
21. The students shall not enter the college in inebriated condition and such students will be expelled from College with immediate effect and will not be allowed in the College Campus.
